Approval rules

- Do not remove the STOP footer from promotional messages. Transactional messages use a separate library and consent basis.
- HELP must route to the support macro in RF-HC-007. Do not promise reserved inventory, guaranteed delivery dates, or automatic discounts not configured in Shopify.
- All {{short_url}} values must use a Juniper & Coast dedicated branded domain. Public URL shorteners are prohibited.
- Material edits to offer, expiration, or claim language require Content Council and Compliance review; merge-tag substitutions do not.
